

Storage Cart Drawings

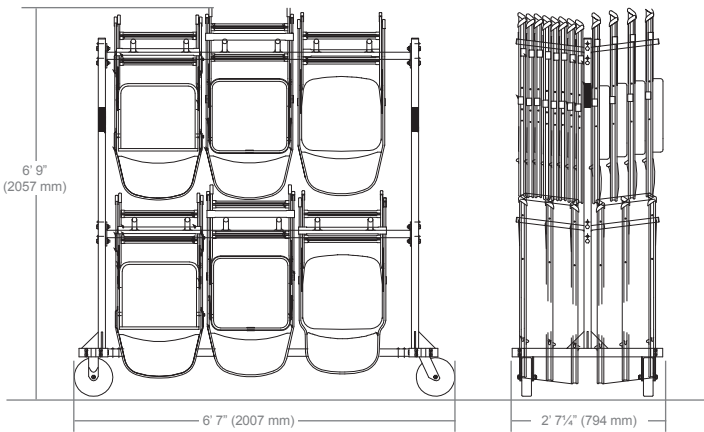

Stacking Carts

Stacking Cart (CPT)

Available in two sizes, one for standard Clarin chairs and one for Premium Series Club and VIP models, our stacking carts are designed for arenas and facilities with ample storage, high ceilings and fork lifts. Stack up to three high. Note that stacking carts requires a starting block.

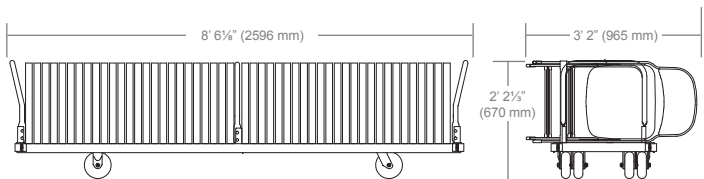

Hanging Carts

Hanging Cart (HT/S)

Available in seven sizes to accommodate most facilities and Clarin chair models, our hanging storage carts are great for lower chair quantities.

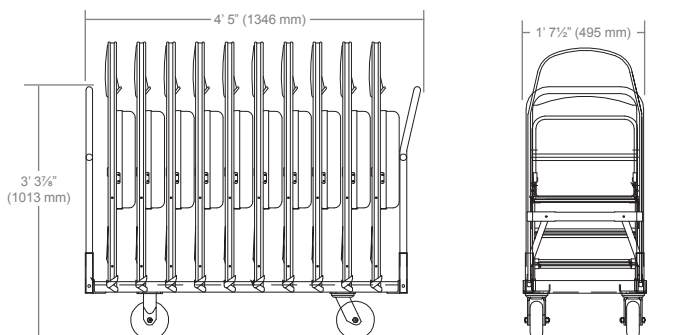

Edge/Flat Carts

Flat Stack Cart (CT/UCT)

Available in four sizes, the flat stack carts work well in facilities that want to store chairs under a stage.

Studio Carts

Studio Cart (S)

Available in four sizes, studio carts work well for storing chairs in long, upright rows.
